#### Inclusion and diversity

Carlton North Primary School is a small inner city school within an ethnically diverse community. We have approx. 2% students are Aboriginal or Torres Strait Islander, 6% of students have a significant disability, 11% of families speak English as an additional language and 7.5% of our families access equity funding.

CNPS is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community.

CNPS is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

CNPS acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At CNPS we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

CNPS will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, productions, excursions, camps) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students

We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour.

### **Reasonable adjustments for students with disabilities**

CNPS also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's *Student Wellbeing and Engagement* policy or contact the Assistant Principal for further information.
